

ARDENT

The Millennial Furniture Package

Our History

Ardent- Passion driven spaces and design.

Ardent is a new and vibrant interior design studio that offers bespoke packages to suit our clients specific project needs.

With our core focus on residential developments and office interiors, we have collaborated with our key suppliers to successfully furnish investment spaces with full delivery and installation.

Projects such as the Space Apartments (50 units), Nexus House (shared office spaces in Zimbali) and Nexus Courtyard Café have been our latest opportunity ventures.

Concept

Our concept for The Millennial is to offer exclusive furniture package options that is most specifically value driven and on trend, with the added service of working with a designer.

Our project management solutions on each install will allow the homeowner to move into a fully furnished apartment, all achieved within 8-10 weeks of order.

Zero hassle deliveries

suit your unique style

Packages

We have created two styles of custom furniture packages for The Millennial, The Classic Package and the Contemporary Package.

Each Style Package offers core items based on the apartment type with the option of mixing and matching furniture items to suit your unique style.

You can add on Additional Packages with window dressings, appliances, and bedding/bed linen/towelling for an added one stop solution convenience.

The Classic Collection

The Contemporary Collection

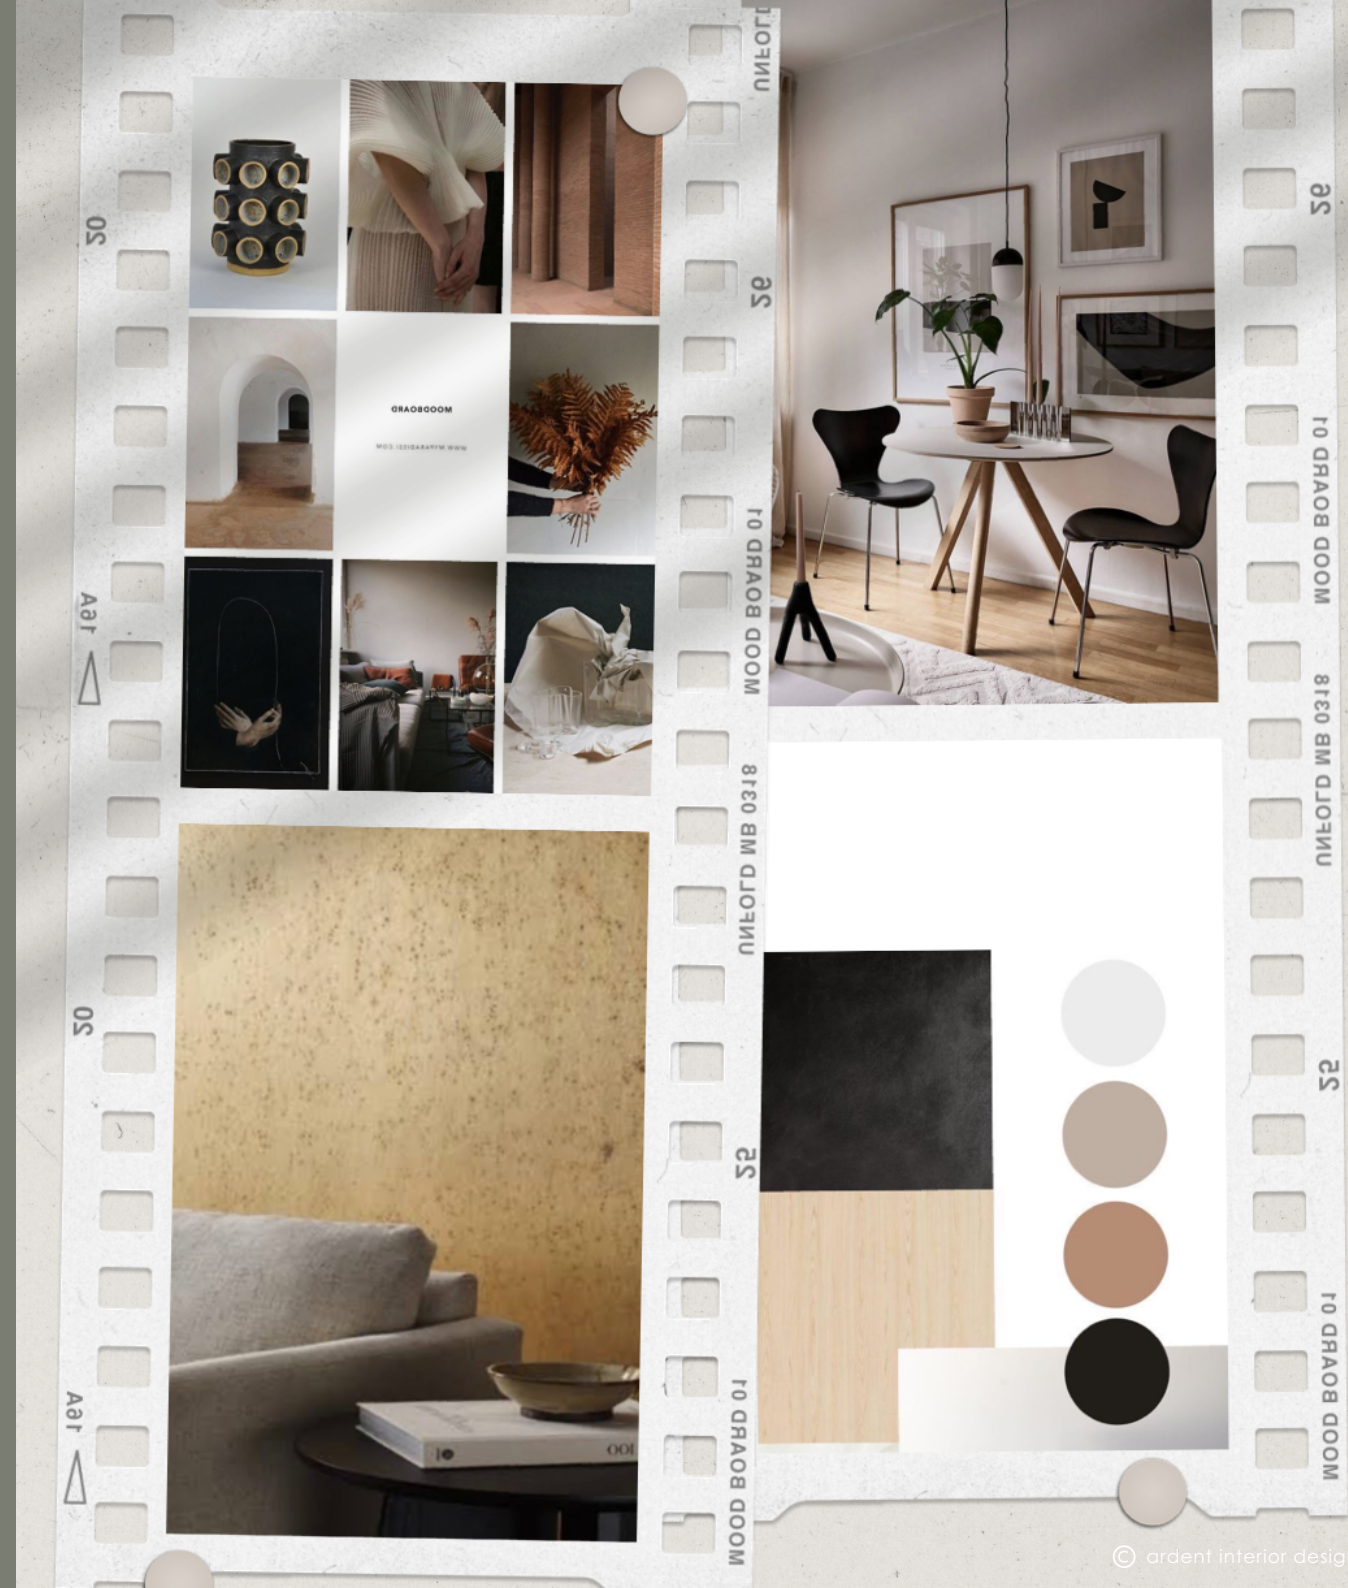

The Classic Collection

Feel completely at home with the fresh, minimalist Classic Collection. The peaceful colour palette complimented by golds and unique artworks, makes these items easily interchangeable to suite your unique style.

The Contemporary Collection

Own the room with the right balance of edge, interesting pieces and bold wallpaper designs. This sophisticated collection brings a sense of luxury to an already modern, open-plan space.
